EARTH TREMBLED.

A Terrific Bombardment on the Forts at Port Arthur by the Japanese.

THEIR LOSSES WERE VERY HEAVY

The Indications Are That the Final and Successful Engagement is About to Commence.

Many Experts Do Not Expect a Decisive Engagement Near Mukden Before Spring—Foreign Attaches Returning Home.

London, Nov. 4.—The Daily Telegraph's Che Foo correspondent, telegraphing Thursday, says that the Japanese losses during the last assault on Port Arthur were heavier than on any of the previous attacks. The bombardment, he says, was so fierce that the streets of Dalny were said to tremble as though from an earthquake. The same paper's correspondent with Gen. Oku, under date of November 2, says that the indications are that a terrific engagement is about to commence.

Berlin, Nov. 4.—The Lokal Anzeiger's Mukden correspondent claims the most trustworthy authority for the statement that 34,000 sick or wounded Russian soldiers were sent away after the last engagement.

Col. Gaedke, the Tageblatt's correspondent with the Russian army, telegraphs that the Russian positions on the Shakhe river are daily becoming stronger in spite of the proximity of the opposing army. The possibility of a Japanese attack, Col. Gaedke adds, is constantly diminishing and many experts do not expect that there will be a decisive engagement before spring. The two Spanish attaches are returning home, and others probably will follow soon.

Che Foo, Nov. 3.—Port Arthur is doomed. A press correspondent here has received information, the reliability of which is beyond question, that the Japanese now occupy positions which place the east side of the town at their mercy. The last assault has gained for them positions which insure their ability to enter the main east forts whenever they are ready. Long before the Second Pacific squadron arrives the Japanese flag will wave over the wrecked citadel. This will end Viceroy Alexieff's dream of an unconquerable city.

Rome, Nov. 4.—A dispatch from Tokio to the Italia Militaire repeats the report that the Japanese have tunneled well under Port Arthur. This dispatch asserts the tunnel has been finished from Pigeon bay to within an eighth of a mile of Golden Hill fortress—the main fortress of the stronghold.

Tokio, Nov. 4.—News from Port Arthur is to the effect that Tuesday's bombardment was of the fiercest description. Five of the Russian warships in the harbor are reported to have been severely damaged.

New Chang, Nov. 4.—Explosions occurred early Thursday morning inside Port Arthur. It is believed magazines or mines have been exploded.

London, Nov. 4.—A dispatch to a news agency from St. Petersburg says Lieut. Gen. Stoessel, commander of the Russian troops at Port Arthur, is reported to be wounded in the leg.

THE MIKADO'S BIRTHDAY.

An American Admiral Refused to Fire a Salute in Honor of It.

Che Foo, Nov. 4.—The Japanese consul here, on the occasion of the mikado's birthday, requested Rr. Adm. Folger, commanding the cruiser division of the American Asiatic fleet, and the captain of a Chinese cruiser to fire a salute Thursday. Rr. Adm. Folger declined to accede to the request, on the ground that he was not in Japanese waters. The Chinese captain, however, complied. The incident has aroused much comment.

THE DANVILLE RIOTERS.

Must Serve Out the Longest Sentences Permissible By Law.

Springfield, Ill., Nov. 4.—The state board of pardons Thursday decided that ten rioters, who were sentenced to the penitentiary from Vermillion county for lynching a Negro, in Danville 16 months ago, must serve out the longest sentences permissible under the law; that is, five years. It was the attack of these men on the Danville jail that Sheriff Whitlock repulsed by firing on the mob and wounding several when they attempted to lynch a second Negro.

London, Nov. 4.—The India office confirms the report of the massacre of the captain and 21 of the crew of the British steamer Baron Innerdale

WILL DON SHORT SKIRTS.

Thirty Pretty Girls Are to Give a Benefit Performance.

Louisville, Ky., Nov. 4.—Thirty pretty Louisville girls went on record Thursday for short skirts when it comes to stage costumes. The girls are to take part in "The Daughter of the Regiment," to be given at Macaulay's theater next Thursday evening for the benefit of the Confederate home. There has been much discussion as to the length of the skirts to be worn. Some wanted ankle "dips," while others insisted that shorter ones would present a better stage effect, and they would not appear in the longer ones. They won when the question was put to a vote, and skirts which will come just below dimpled knees were ordered from a Cincinnati costumer.

DETERMINED TO VOTE.

Victor Bogart Came All the Way From Brussels to Register.

Lexington, Ky., Nov. 4.—To preserve unbroken his record of having voted in every presidential election since naturalization, Victor Bogart came from Brussels, Belgium, in time to register Wednesday. He had planned to return to Lexington in late December, but hastened his coming in order to participate in the election. He has not decided for which presidential candidate he will vote.

THE ORPHAN BRIGADE.

Capt. John H. Weller, of Louisville, Was Chosen Commander.

Frankfort, Ky., Nov. 4.—At the general meeting here Thursday of the Orphan Brigade of the Confederacy, the remnant of the noted Kentucky regiments which took part in the civil war, Capt. John H. Weller, of Louisville, was chosen commander, succeeding the late Gen. Joseph H. Lewis. Gen. Lewis held the office from the close of the war until his death, two months ago.

Valuable Horse Injured.

Lexington, Ky., Nov. 4.—J. B. Haggin's Bath Hampton, famous 13-year-old sire of Roe Hampton, by Hampton and out of the Bat, fell on smooth pavement in his stable and was seriously injured. The horse was ruptured and brain trouble is also feared as he struck his head.

McMichael Election Case.

Lexington, Ky., Nov. 4.—Judge Watts Parker, of the Fayette circuit court, decided the McMichael election case by refusing to grant the writ of mandamus to compel the officers of registration to reopen the books for the purpose of permitting the petitioner to register.

Resigned As Teacher.

Glasgow, Ky., Nov. 4.—Miss Edna Smith has resigned as a teacher in the public school here, though no charges have been preferred against her. It is alleged that she severely whipped Thomas Richardson, son of J. M. Richardson, a candidate for congress in this district.

Louisville Tobacco Market.

Louisville, Ky., Nov. 4.—There was no change in dark and burley values on the breaks Thursday. The offerings were 80 hhds, of which 41 hhds were burley and 39 hhds dark. Dark lugs sold from \$3.90 to \$4.30, and leaf from \$2.90 to \$7. Burley ranged from \$7 to \$19.25.

Brained Him With a Pick-Handle.

Lexington, Ky., Nov. 4.—While at work in a stone quarry Thursday Henry Jackson, a Negro, slipped up behind William Higgins, a white man and a co-laborer, and brained him with the handle of a pick ax. Higgins will die. The Negro escaped.

Robbed Eight Guests.

Louisville, Ky., Nov. 4.—A sneak thief made a wholesale raid at the Farmers Home hotel, on East Market street, early Thursday morning, and robbed eight sleeping guests of \$480. John W. Sanford, who registered from St. Louis, was arrested.

Woman Plunged From Window.

Covington, Nov. 4.—Mrs. Matilda Thaman, 30, plunged from a third-story window at the home of her parents, Twelfth and Russell streets, shortly before noon Thursday. She was in an unconscious condition when picked up by relatives.

Lexington Water Works Sold.

Lexington, Ky., Nov. 4.—The local waterworks company, known as the Lexington Hydraulic and Manufacturing Co., was purchased Thursday by the Stoll family, of this city, the deal having been closed in Boston.

Struck Natural Gas.

Butler, Ky., Nov. 4.—The Campbell County Oil and Gas Co., drilling a well here on the Grant farm, struck a strong natural gas flow at a depth of 500 feet. There is much excitement.

THE DEAD MINERS.

The Bodies of Nine of the Ten Killed in the Auchincloss Colliery Recovered.

ALL WERE HORRIBLY MANGLED.

The Heads and Trunks of Some Were Crushed to a Jelly by Their Fall of 1,800 Feet.

Pitiful Scenes Were Witnessed at the Shaft's Mouth When the Severed Remains Were Brought to the Surface in Buckets.

Wilkesbarre, Pa., Nov. 4.—The bodies of nine of the ten miners who were killed at the Auchincloss colliery in Nanticoke Wednesday were removed from the sump at the foot of the shaft Thursday. All were horribly crushed and mangled by the fall, some 1,800 feet, and the identification is difficult.

Arms and legs were torn from the trunks of some of the victims while the heads and trunks of others were crushed to a jelly. The work of recovery was exceedingly difficult and the rescuers braved extreme danger in recovering the bodies.

Pitiful scenes were witnessed at the mouth of the shaft when the severed remains were brought to the surface in buckets which had been rigged up.

The widows, orphans and other relatives surrounded the shaft during all of Wednesday night and Thursday night. When the first body reached the surface its condition was such that the officials refused to allow any one to see the remains. The bodies of all the victims were carefully wrapped up before they were brought to the surface and were taken to an undertaker's morgue to be prepared for burial when the relatives will be allowed to identify and claim their dead.

YOUNG GIRL MURDERED.

She Was On Her Way Home From Her Work.

Cincinnati, Nov. 4.—Almost an exact counterpart of the Lulu Mueller murder in Lover's lane, Cumminsville, was reported to the police early Thursday. Terribly cut and crushed about the head, the dead body of Alma Steingeweg, 18, of McMakin avenue, Winton Place, was found Thursday morning at the foot of Winton road, between Spring Grove avenue and Mill creek.

Positive evidence that a brutal murder, possibly more shocking than that of Lulu Mueller, had been committed, was adduced as soon as Coroner Weaver arrived and the body was turned over.

Down the back of the young victim were unmistakable evidences that she had been dragged, thus disposing of the possibility that she had been struck by a street car. From the middle of the track a trail of blood, which had dripped from frightful wounds in the head, led to the spot where the body lay.

There were two significant things discovered. The first was that her raiment was disarranged, as though in a desperate struggle for life or honor. The second, discovered by painstaking and almost microscopic search of every inch of the ground where the body was found, was a safety pin of the sort usually worn by women. This was crushed into the ground by a boot heel, of which the imprint was very easily discernible.

BUFFALO BILL.

He and His Party Will Not Join in the Man Hunt.

Thermopolis, Wyo., Nov. 4.—Sheriff Fenton, of Big Horn county, came in Thursday night from the chase after the outlaws who attempted to rob the First national bank of Cody and killed Cashier Middaugh on Tuesday last. He had a conference with Sheriff Stough, of Fremont county, and the two officers left again Friday morning for the Bad Lands in the vicinity of Tarby creek, east of the Big Horn river, where Fenton believes he has the outlaws surrounded. The officers will endeavor to prevent the robbers from penetrating the interior of the Bad Lands, for once inside their capture would become an extremely hazardous task.

The fact developed Thursday that the outlaws after leaving Cody Tuesday evening traveled over the main county road to within four miles of this place, then made a detour to the southwest and entered the main road again six miles out. They have since been traveling by main roads. This boldness on the robbers' part can not be accounted for.

A special from Cody says that William F. Cody (Buffalo Bill) will not join the man hunt. He will leave Friday with his English and other guests for a hunt in the wilds northwest of Cody.

The reward for the bandits, dead or alive, has been increased to \$10,000. The sum has been made up by Col. Cody, the citizens of the state, banks of the state and other concerns and will probably be increased in a day or two.

SUPPLEMENTAL TREATY.

The Rate on International Money Orders Decreased.

Washington, Nov. 4.—Postmaster General Wynne Thursday signed a supplemental treaty with the Hungarian government relating to money orders passing between the two countries. Under its terms the rate of commission paid by the country of origin to the country of payment is reduced from one-half of one per cent. to one-fourth of one per cent. This applies to all classes of international money orders. At the same time it affects a corresponding reduction in the fees charged for the use of money orders in the United States, as well as the use of the money orders in Hungary. So far as this country is concerned the fees are reduced to from eight cents to 50 cents, whereas formerly they were from ten cents to one dollar. The money order business with Austro-Hungary is said to amount to between \$3,000,000 and \$4,000,000 and it is believed here that under the new treaty this amount will be increased.

COMMANDER BOOTH-TUCKER.

He Has Been Appointed to International Headquarters in London.

New York, Nov. 4.—It was announced Thursday night that Commander Frederick Booth-Tucker, for eight and a half years commander of the Salvation army forces in the United States, is appointed to the international headquarters of the army in London and will there act as secretary for and represent all countries outside of Great Britain. This appointment will make it necessary for the commander to travel in all parts of the world.

Shiveley, of this city, supreme chancellor of the Knights of Pythias, announced that the people of New Orleans have taken the first step toward arranging for the entertainment of the supreme lodge convention and uniform rank encampment in 1906 by appointing a permanent committee and that \$4,000 has already been subscribed of the \$100,000 which they propose to secure for the entertainment.

THE AIRSHIP FOUND

The Escaped California Arrow Landed About 16 Miles West of St. Louis.

IT WAS ONLY SLIGHTLY DAMAGED.

There Are Two Small Rents in the Gas Bag Which Can Be Repaired in an Hour.

Machine Was Loaded on a Hay Wagon and Taken Back to St. Louis and Will Be Prepared For a Flight Saturday.

St. Louis, Nov. 4.—The airship of Capt. T. S. Baldwin, which suddenly slipped away Wednesday night as it was being towed in from the country to the aeronautic concourse, was found Thursday 16 miles west of St. Louis. It was unharmed by its wild night flight, save for two small rents in the gas bag, which Capt. Baldwin stated could be repaired in half an hour.

When the "Arrow" escaped there was just enough gas to lift the craft well off the ground. Inventor Baldwin expressed his belief at the time that the cold night air would condense the gas rapidly and cause the airship to come down in the vicinity of St. Louis. After floating in the wind for 16 miles the airship came down to within a short distance of the ground and her anchor ropes became entangled in the dead limb of a tree. This served as an anchor and the airship was found so moored in a cornfield by farmers.

Word reached Baldwin late in the day that his airship had been found. He and Aeronaut Knabenshue hurried to the scene in an automobile, and were rejoiced to find the aerial craft uninjured with the exception of two small tears in the balloon.

The balloon was deflated and after negotiations had been completed with a farmer the collapsed airship was loaded on to a hay wagon and brought back to the exposition aerodrome.

Capt. Baldwin stated Thursday night that he expected to have the airship in readiness for a flight by Saturday afternoon.

THE STOLEN COPE.

It Was Presented to the Italian Government By J. Pierpont Morgan.

New York, Nov. 4.—The ancient ecclesiastical cope which was stolen from the cathedral of Ascoli, Italy, two years ago, and later purchased by J. Pierpont Morgan, has been presented to the Italian government by Mr. Morgan. The presentation was made through Baron Edmondo Des Planches, the Italian ambassador, who called by appointment on Mr. Morgan in this city Thursday.

The cope was presented by Pope Nicholas IV. to Ascoli, his native place. It is a French work of the 13th century and is one of the finest specimens of fetal art of that period that have been preserved.

It was in 1902 that the cope was stolen by an Italian from the cathedral of Ascoli while repairs were being made on the building.

JANITOR FOUND DEAD.

He Was at One Time a Millionaire Sheepman.

Kansas City, Nov. 4.—John Tinkler, 52, janitor of an office building in this city, who was found dead in his room Thursday, is said to have been a millionaire sheepman in Montana and to have lost his fortune in the collapse of the wool market in 1892. He was the son of a wealthy steel manufacturer of Sheffield, Eng., and inherited his father's estate.

JOY IN IGORROTE VILLAGE.

Birth of a Boy Baby, the First During the World's Fair.

St. Louis, Nov. 4.—There was great beating of tom toms and wild demonstrations of joy in the Igorrote village at the exposition Thursday over the birth of a boy baby, the first child born in the village during the exposition. The father, Apoguet, is 23 years old and bears a record of having secured the heads of five enemies. Se-billa, the mother, is 20.

EVENING BULLETIN.

DAILY, EXCEPT SUNDAY.
ROSSER & McCARTHY,
Proprietors.
FRIDAY, NOVEMBER 4, 1904

Hon.
J. C. S. Blackburn,
Kentucky's
most eloquent orator,
will speak
at the
Court House to-night
at 7:30 o'clock.
Don't
miss this chance
to hear him.
Seats reserved for the
ladies.

KNOX, the ex-Attorney General, and the choice of the trusts as Quay's successor, is a fit apologist for the President, when an answer is needed to the charge of black-mailing the trusts. They put him in the Senate and he is already rendering service to them.

ONE of Judge Parker's most ardent supporters is Jesse Grant, the youngest son of the late General Grant, who says he has been a Democrat ever since he was old enough to vote, adding that the only time his father ever voted he voted for a Democrat—Buchanan. They're all looking for seats in the band wagon now.

THE Republican papers are trying to bring the race for United States Senator into this contest but without avail. It will be time to worry over that fight next year. The impelling motive of every true Democrat is to carry the State for Parker and Davis by an old-time majority. They are united in that cause no matter what course they may take in State affairs.

Too much praise can not be given the speakers who have borne the burden of the contest in Kentucky. Upon them have developed the task of arousing the people to a sense of their responsibility. Hear the old war horse of Democracy at the court to-night. Mr. Blackburn has a habit of saying things that are not altogether to the liking of Republicans and he is pretty sure to give a good account of himself on this occasion.

ROOSEVELT, like the frightened Russian Admiral with the unspeakable name, is seeing things of nights. He can't take a ferryboat without bumping into imaginary Democratic torpedo craft, and when he walks in the White House garden he is kept busy dodging bombs. Between the silence imposed on him by the National Committee and the scare thrown into him by the Democrats the President is a nervous wreck.

ALWAYS entertaining, Senator Blackburn is at his best when addressing a "lady audience." Women do not vote, but they wield a tremendous power in politics as well as in other things. Colonel Statterly will bear us out in this assertion—Tom knows whereof he speaks. Ladies, the local committee solicits your presence at the court house to-night. The speaker expects you and would like to have your father, brother or sweetheart there as well. He will charm you with his wonderful oratory and is sure to say some pretty things the fair sex will want to hear.

KEHOE AT GREENUP.

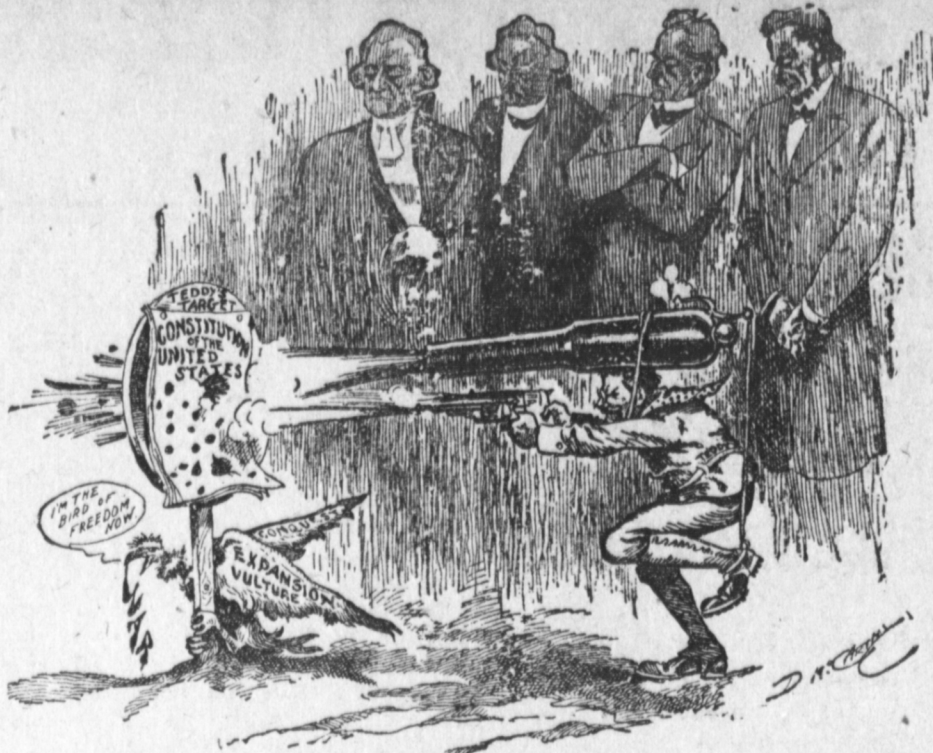

Addressed the Largest and Most Enthusiastic Crowd Ever Seen in the Court House There.

Congressman Kehoe spoke at Greenup Wednesday afternoon to a meeting of enthusiastic citizens of all political faiths. A dispatch says it was the largest demonstration ever witnessed in the court house, and proved that Greenup County people are not to be led off by favoritism or home county pride. Mr. Kehoe was introduced by Attorney W. T. Cole, formerly of this city, and both speeches were received with great enthusiasm and spirit. Kehoe will get a large soldier vote in Greenup.

AT DOVER.

Mr. Kehoe spoke to a large and enthusiastic crowd in Dover Tuesday evening from a stand erected on the street. A large number of people came in from the country to hear him as he is a special favorite in that section.

The News says he had been advised that the 9:17 train made regular stops there as she formerly did and came with the expectation of going east on that train. After he found that he could get away only at 7:55 it was necessary for

Shades of Washington, Jefferson, Jackson and Lincoln: "There won't be anything left of the Constitution when he gets through with it."

him to cut his speech short, leaving out many good points he had expected to make. After arriving at the depot he received a message stating that train No. 4 would stop for him at 10:17.

Mr. Kehoe presented the issues of the day in a clear cut and forceful manner, and his words were well received. Dover is the only point at which he has spoken in Mason County, and he is fully expecting a handsome majority in that precinct, which he surely will get.

Mrs. Mary B. Pepper of Cincinnati, formerly of this county, died of heart disease this week, aged seventy-two. She was a daughter of the late Captain William Bickley of Washington.

WILL LAY THE FIRST BRICK.

A Little Maysville Miss Will Place the Initial Bat in the New Government Building Next Wednesday Morning.

We were misinformed as to the date of laying the corner stone of the new Government Building. Instead of taking place next Monday, that important event will not occur for some months yet.

However, next Wednesday at 9 o'clock, a young lady, who is to be selected by Postmaster Mathews for the occasion, will have the honor of laying the first brick.

The affair will be attended by all the little details that go to make up such a ceremony and there will no doubt be a large crowd on hand to see her handle the trowel.

TOBACCO GROWERS' MEETING.

President Hawkins and Others Address an Enthusiastic Meeting Here Thursday.

There was a generous response by the farmers of of Mason to the call for a meeting of the tobacco growers at the court house Thursday at 10 o'clock. Far more enthusiasm was shown than at any similar gathering heretofore.

Hon. T. D. Slattery made a few preliminary remarks in opening the meeting and introduced President Hawkins, who talked at some length, explaining the purpose of the Growers' Association and appealing to the farmers to stand by the organization and not permit themselves to be crushed and dictated to any longer by the Continental trust. He showed by rather conclusive argument that the growers' only safe course is to stand by one another and join the organization if they would create another buyer and establish a fair price for their crops.

Mr. Hawkins was followed by Hon. Charles Sullivan of Woodford County, who addressed his hearers along the same lines.

Following is the form of contract which the tobacco raisers were asked to sign:

We the undersigned hereby subscribe for the number of shares in the Burley Tobacco Growers' Company set opposite our names. Shares \$10 each. Capital stock \$500,000. Payable in tobacco when delivered to the company.

One thousand acres were promptly signed over to the association, making 1,600 acres from Mason and the promoters say prospects are good for 4,000.

There is to be a meeting at Ripley today, addressed by the same speakers and several farmers from this county who were undecided yesterday have expressed their intention of going down and will likely be induced to join hands with the association.

Over 1,000,000 pounds have been signed to the company in Fleming County, and it is thought the final figures will reach 1,500,000 out of the estimated crop of 2,000,000 pounds.

In Nicholas it gets over 2,000,000 out of the estimated crop of 3,000,000, and other counties have done equally as well.
